

Shamanic Ceremony Circle

Saturday, April 23rd, 1-3pm
Suggested Donation \$10

"Archeology of the Soul" Shamanic Ceremony Circles, is an invitation to commune with your Soul for Self-Discovery and Healing, while working in the supportive ambience of Sacred Space.

For this month of April, come and learn the medicine and wisdom of the Serpent, the power animal that teaches us how to shed the past the way the Serpent sheds its skin. What stories, wounds, and memories are you ready to shed? So that you can discover the soft fresh new skin that has been waiting to be revealed, as you let go of what no longer serves you.

Come learn practical tools and ceremonies that you can take home with you and practice in your daily life. By incorporating these ceremonies into your life you will experience how it empowers you, helps you navigate your life with more grace, strength, peace, and connection to your Sacred Self.

Bring paper, pen, and a favorite stone or crystal.
