Saturday, September 24<sup>th</sup> 1-3pm | \$35 advance / \$40 at the door

Have you ever been curious about how to read Tarot cards? Have you ever wondered what the beautiful artwork on each card means?

In this workshop you will have an opportunity to discover the traditional meanings of the first 10 Major Arcana and to practice tapping into your own innate wisdom when it comes to deciphering the cards.

This will be the first of 7 consecutive monthly workshops that Tory will be sharing. This is an interactive workshop where you will discuss the traditional meanings of each card, discover how you feel and how you would interpret each card and then practice mini-readings.

Delight, amazement and fun to be had by all!
